To whom it may concern,

I am writing a letter of support for the amazing work that the Wakatipu Youth Trust do in the basin area. Here at Arrowtown School we have appreciated the commitment and enthusiasm of Youth workers , Alice Gee, Suzie Kelly and Richie Hadlow. They have made a huge effort to get to know our Yr 7 and 8 students and have worked hard to develop trusting and supportive relationships. They have come to our school approximately once a week throughout the year. They organise 'house challenges" and spend time developing positive relationships with our seniors. Their calm and positive nature and their willingness to give anything a go has been so appreciated.

We are also grateful for their great support during our Team Building camp at the beginning of the year and our Rewards Day at the end of the year.

The connections and relationships these guys make are well established and I know it makes a huge difference for our kids when they are at high school to know about the Youth Booth and to have positive relationships with the youth workers there.

I hope that the excellent work and support can long continue as it has such positive benefits for all youth and for the community.

Regards
