Dear Jacqui and Richie

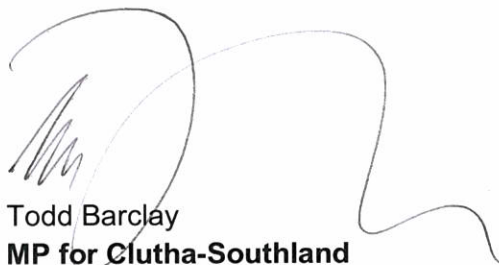

Thank you for the opportunity to visit The Booth last Monday 8th May, and for taking the time out of your busy schedules to meet with Chris Bishop and myself.

I am a huge fan of what you do to support young people in the Queenstown Lakes district, and my colleague Chris Bishop was very impressed with the set-up of The Booth, the programmes you run and the mentoring you provide.

It was valuable to get an update on current youth-related issues and concerns, and to discuss opportunities around expanding your service to Frankton.

Thank you once again for the incredible work you do with youth in our community, I look forward to catching up again soon.

Yours sincerely

Todd Barclay
