To whom it may concern,

Wakatipu High School has been privileged to have had great support once again from the Wakatipu Youth Trust in 2016. The members of the Wakatipu Youth Trust are often at WHS and very involved with our students. They are highly respected by our students and have built great relationships with both our students and staff.

The Wakatipu Youth Trust have provided fantastic support with activities and initiatives in 2016 such as:

- Weekly lunchtime visits
- Year 10 Youth Expo
- Breakfast Club
- Drive to Survive
- Participation Day
- Year 9 end of year programme
- Attending the Year 13 end of year BBQ
- Running after school and evening programmes and events for WHS youth
- Reverb Sound Kitchen Muso Café
- Battle of the Muso's
- Mentoring 'At Risk' students
- Attending the Senior Prizegiving

WHS students and staff highly value the work and contribution of the Wakatipu Youth Trust and its team and we thank them very much for their ongoing support of the school and its youth.

Yours sincerely,
